This group is supported by the BYU-Idaho Future Professionals, a group of current students who proactively use the campus resources and alumni network to make connections, find mentors, and secure internships as well as post-graduation employment. BYU-Idaho Professionals Funding collective impact initiatives costs money, but it can be a highly leveraged investment. A backbone organization with a modest annual budget can support a collective impact initiative of several hundred organizations, magnifying the impact of millions or even billions of dollars in existing funding. Collective Impact (SSIR) Improvement Sketches, where available in Tarrant County, TX, are small drawings showing the outer dimensions of the improvement found on the property. These are usually residential homes, but sketches for some commercial buildings may be available. Sketches are useful in determining the square footage and footprint of a building or improvement.
