sale ... I think Pirate was the book that really clicked for me (it is the 3rd Alex Hawke novel) and I've been hooked ever since.

Reading the Ted Bell books in order really focuses on his Alex Hawke series as his second series focused on Nick McIver is one for young adults, and one that I sadly admit not having read (yet). How to Read the Ted Bell Books in Order - Books Reading Order About Ted Bell: Ted Bell, now a complex full time writer, has an amazing background, unique as a matter of fact among contemporary colleagues. He became a solid name within advertising area starting from copywriting in early seventies, ending up in executive positions at large advertising corporations in the nineties. Ted Bell - Book Series In Order Alexander Hawke is a go-to guy for the President. Hawke is a very rich man, Chairman and CEO of a major conglomerate, who loves adventure and hates injustice. He also happens to be a very close friend of the President of the U.S. from many years before the man ran for office and comes to the aid of his friend on several occasions.

In some cases, you may also find free books that are not public domain. Not all free books are copyright free. There are other reasons publishers may choose to make a book free, such as for a promotion or because the author/publisher just wants to get the information in front of an audience. Here's how to find free books (both public domain and otherwise) through Google Books.
