Slapstick Or Lonesome No More Slapstick, or Lonesome No More! is a science fiction novel by American author Kurt Vonnegut. Written in 1976, it depicts Vonnegut's views of loneliness, both on an individual and social scale. Slapstick (novel) - Wikipedia Though true in most of his works, Slapstick feels even more personal and revealing than usual. There is a trepidation and sadness in it that in other works might be dealt with with more of a light humor and author's ego. This feels to be full of humility and regret of not having done more.
