In Superman: The Unauthorized Biography, NPR's resident comic book expert, Glen Weldon, tells the life story of the world's first, and still the most popular, superhero, from his creation to the present. He reveals how this cultural icon has been continuously transformed, not just by time but by his travels through a variety of media, including comic books, radio, television, movies, and graphic novels. Superman: The Unauthorized Biography - Kindle edition by ... Superman: An Unauthorized Biography is not a history of the making of Superman properties, though it touches on that. Nor is it a history of the Superman canon, though that canon is a large part of the book. What Weldon has written is exactly what it says on the tin -- a biography of a fictional character, delving first into the canon, then looking at creators, back and forth. We learn not only what Superman was, what he was doing, during decades
